FTI Performance \$30,000 Friday To Resume Sunday Following Spring Fling Million Saturday

Las Vegas, NV — The third and final \$30,000 event was contested on FTI Performance Friday at the Moser Engineering Spring Fling Million presented by Optima Batteries at Las Vegas Motor Speedway. Nearly 400 drivers staged up for the first round in hopes of making it count before Million Dollar Saturday.

Racers' cooperation allowed eliminations to move smoothly despite obstacles of wind and some light rain. The LVMS track crew and the Fling Team made their best efforts to maintain a safe racing surface, but windchill brought the temperature of the track lower to the point where the decision was made to postpone the remainder of \$30K eliminations to Sunday.

First round of the Silver State Million Dollar Saturday will follow the Brodix Run for the \$50K Friday morning, where \$50,000 will be on the line for a perfect run. Best package awards include Brodix SR20 cylinder heads, \$2000, and a 2025 Spring Fling Million entry. If a perfect run is not made during the time run session, the driver with the first perfect run during Million eliminations will win \$10,000.

Race fans can tune in tomorrow at 8:20 a.m. PST for the Brodix time run session before the first round of the Spring Fling Million. Everything will be streamed live from our own channel [@RaceTheFlings on YouTube](#).
